

Notice of Dispensation

Chapter 7 of the Localism Act 2011 and the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012

I, Jayne Smailes, Proper Officer and Parish Clerk to Alvechurch Parish Council, having considered the request from Members listed below to grant a dispensation from the above regulations in order to allow them to debate and vote on matters considered by the Council which would require a whole Council exemption.

This dispensation will allow Members to debate the Parish budget and partake in precept setting deliberations; the dispensation will run from the date of this decision notice (3rd February 2020) until the day prior to the next local elections in May 2023, because it is:

- In the interests of persons living in the area; and
- Otherwise appropriate to grant such a dispensation where councillors are required to decide on whole council matters in which they might otherwise be said to have a disclosable pecuniary interest.
